Imagine Being Able To ...

- **Sail where you want, When you want**
*Join in the Regattas and Rallies, without taking weeks off work
Enjoy the harbours and anchorages other yachts cannot reach*
- **Sail Safely and Swiftly and Silently**
*in an "Ocean-safe" controllable yacht with retractable
shock-absorbing keel*
- **Compete in One Design and IRC Racing,
as Competitively as you like**
*At beginner, club, and Ocean level, without a one-off,
fast-depreciating boat*
- **Enjoy the Peace and Quiet, and Comfort,
without Damaging the Environment**
*Experience the Wildlife and Seascapes -
without disturbing them and you*
- **Experience Comfortable, Less Complicated Sailing**
With domestic kitchen and bathroom facilities - less damp camping!
- **Get Out More with friends and family in the w1Da**
Spend more time sailing with friends, and less time painting and fixing
- **Easy to Buy, Less Expensive to Operate**
*Easy to Own and Enjoy with friends and family
Maximum fun, Minimum hassle, Zero Emissions*
